

ROBIN JOYCE MILLER & JAMES WALTER MILLER

RHYTHMS *of a* FAITHFUL JOURNEY

“Profound in its exposition of the Black experience through art and poetry.
This is a work that touches the reader deeply. In harmony, the words and
pictures flow... evoking moods and feelings.”

African American Museum, Hempstead, NY.

This collaborative project marks the beginning of a personal
faithful journey for James and Robin - their retirement from
full time careers in banking and education, respectively.
